Date: 5th November 2024

Subject: Invitation to Actively Participate in LFJC's Golden Jubilee Celebrations

Dear Alumni,

Greetings from Little Flower Junior College!

We are delighted to inform you that the first alumni meet of Little Flower Junior College (LFJC) took place on the 3rd of November 2024 at the Heritage Hall of our college. This memorable event was graced by former Principals Bro. John Kallarackal, Bro. M. A. George, and Bro. Vincent Reddy, who addressed the gathering, reflecting on the legacy and growth of our institution. Our current Principal, Bro. Arun Prakash, formally welcomed all alumni present, who in turn shared fond memories of their time on campus.

We are excited to share that LFJC will celebrate its Golden Jubilee on the 13th of December 2024. A special day has been set apart for alumni to reunite on the 15th of December 2024, providing an opportunity for all of us to reconnect and celebrate this significant milestone together.

Given the limited time until the celebrations, it was unanimously decided to form a Core Committee to help reach out to fellow alumni and promote active participation in the upcoming festivities. An Ad-Hoc Organizing Committee has also been established to oversee arrangements for the Golden Jubilee, with the possibility of formally establishing an Old Students Association to sustain our bond with the college in the future.

The Core Committee will reconvene to finalize Jubilee plans on the 10th of November 2024 at 10:00 am on the LFJC campus. We have attached the names of the Core Committee and Organizing Committee members for your reference.

We warmly invite each one of you to join us in celebrating the Golden Jubilee of our Alma Mater. Your presence will make this occasion even more meaningful, strengthening our shared legacy for years to come.

With heartfelt gratitude and anticipation,

Bro. Arun Prakash
