Subject: Core Group Meeting Summary and Alumni Association Updates

Dear Alumni and Members of the Core Group,

We are pleased to share the outcomes of our recent Core Group meeting held on November 10, 2024, where thirteen dedicated members gathered to discuss the upcoming events and the establishment of an official alumni association. Below is a summary of the key points and decisions made:

- Formation of an Official Alumni Association:** It was agreed to establish an official alumni association to support alumni activities in an organized manner and foster connections within the LFJC alumni community.
- Alumni Gathering and Golden Jubilee Celebrations:** After thorough discussion, the group finalized the date for an alumni gathering on December 13, 2024, from 3:00 p.m. to 5:00 p.m., followed by the Golden Jubilee Celebrations of Little Flower Junior College, which will begin at 5:30 p.m. We look forward to reconnecting and celebrating this special occasion with you all.
- Golden Jubilee Poster Release:** A beautifully designed poster showcasing the Golden Jubilee celebrations was released during the meeting. Special thanks to Dr. Vandana Samba - for creating this inspiring visual representation of our milestone.
- Event Publicity:** Dr. A.Patrick and Dr. Sneha Verghese will be responsible for publicizing the event, ensuring that our alumni and community are informed and encouraged to participate.
- Membership Fee for Official Association:** A membership fee of Rs. 500 has been set for those who wish to join the official alumni association. This fee will support planned alumni activities, and adjustments may be considered in the future. Alumni who choose not to become official members will still receive regular updates and event information.
- Meet and Interact with Staff:** Alumni members will gather for high tea on December 13, providing an opportunity to interact with current and former staff and celebrate the college's 50th anniversary together.
